

WAUPS Certified Advanced Live Patient Surgical Training Program

Aug 10 (Mon) – 13(Thu), 2020
MedDental, Hanoi, Vietnam

- ◆ Minimum 4 patients a day ◆
- ◆ 40 Sinus Augmentation ◆
- ◆ 70 Ridge Augmentation Mastering complex surgical techniques ◆
- ◆ Fast Track to WAUPS Fellowship Credentials ◆

Clinical 4-Day Program 9AM to 5PM

Aug 10	Aug 11	Aug 12	Aug 13
Orientation Lecture Hands-On Surgical Session I	Lecture Surgical Session II Surgical Session III	Lecture Surgical Session IV Surgical Session V	Lecture Surgical Session VI Surgical Session VII Program Review

Program Director

Prof. Dong-Seok Sohn
Daegu Catholic University
Medical Center
Oral and Maxillofacial
Surgeon President of WAUPS

Surgical Instructors

Dr. Jin Kim
Visiting Professor
President of WAUPS,
USA

Prof. Christian Makary
Associate Professor
Oral surgery department
Saint Joseph University
Beirut, Lebanon

Dr. Eric Park
Visiting Professor
Vice-president of
WAUPS, USA

Dr. Grace Kim
Visiting Professor
MICOI, DWAUPS
Director of WAUPS
Australia

Course Outline

- World Academy of Ultrasonic Piezoelectric Bone Surgery(WAUPS) Fellowship certified program
- Individualized approach to ICOI & WAUPS FELLOWSHIP requirements
- Flap design and suture techniques hands-on using animal model
- Immediate implant placement and immediate restoration
- Socket preservation and augmentation
- Complex guided bone regeneration techniques & ridge augmentation
- Sinus augmentation techniques: classic lateral window technique and Hydrodynamic piezoelectric internal sinus elevation.
- Ridge split and bone expansion techniques
- Use of contemporary biological enhancers including CGF(PRF), ASAP, Sticky Bone™, Phlebotomy and Poncho technique™
- Management of complications
- Various clinical application of Piezoelectric bone surgery and autologous tooth bone graft

This is a training program designed for dental clinicians to be able to place dental implants and perform advanced implant surgery under close supervision on live-patients in Hanoi, Vietnam. This program is organized by World Academy of Ultrasonic Piezoelectric Surgery (WAUPS), the course is open to clinicians with or without previous exposure to implant dentistry. Participants will receive Certificate of Completion worthy of display. With qualified instructors and volunteer WAUPS mentors, we maintain a 2:1 ratio of students to instructors.

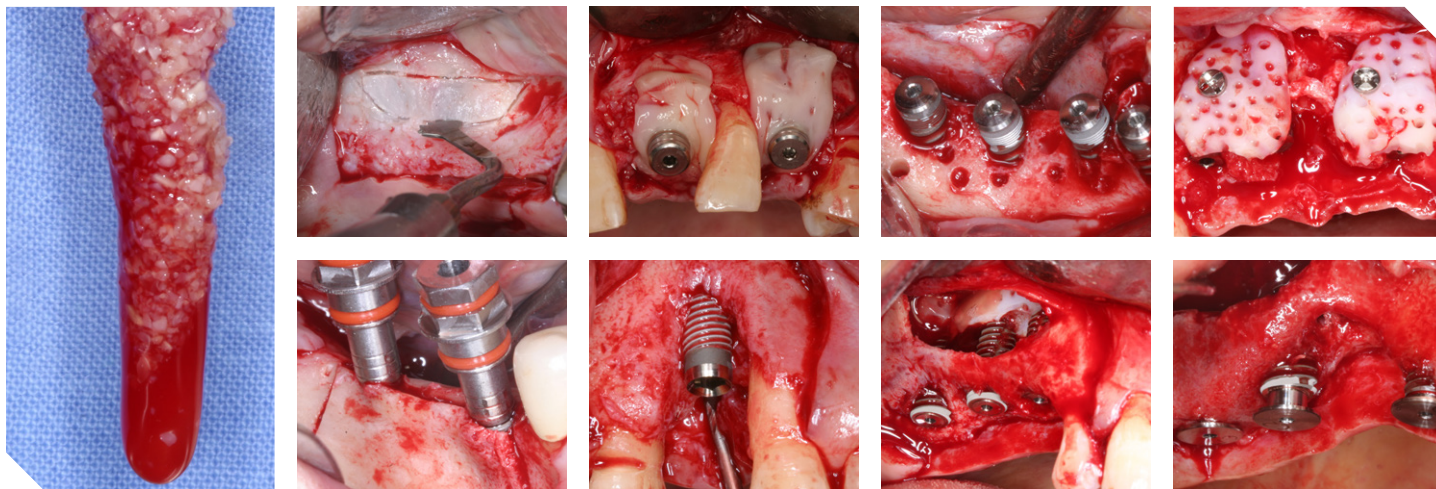

Testimonials

"WAUPS is leading the way in cutting edge technology. Prof Sohn and his team of mentors are genuinely willing to teach, are friendly, open and knowledgeable, they made us all feel at ease. We all were guided through lateral approach and crestal approach using piezo for sinus lift, immediate implant placement, ridge split, ridge expansion, GBR using auto tooth bone, CGF and lots of implant placements. This was the best live course I have ever attended. There were lots of patients for all the students. All the students received the same number of patients and was all treated fairly. The clinic was pretty well organized with CT scan, OPG, aircons. Infection control was the best out of all the live courses I have attended. I would do the course again if time is available as the demonstrators generously share their time and knowledge."

-Dr. Yashesh Dinesh Sheth, Australia-

"I had the privilege to attend the surgical training programme with Professor Dong Seok SOHN & fellow instructors. It was a most educational & rewarding experience that enabled me to provide advanced, up-to-date & practical procedures for my implant patients. A MUST for any dentist wanting to expand their knowledge & skills in the implant field."

-Dean A Martin Perth, Western Australia-

Qualification for Fellowship in WAUPS

Completion of this course qualifies the participant for WAUPS Fellowship status. All candidates for WAUPS Fellowship need to register and attend a World Congress of Ultrasonic Piezoelectric Bone Surgery (WCUPS) meeting. There is an award ceremony for fellowship certification.

Registration Information www.waups.org

Course fee includes 4 nights stay in luxury hotel, meals, soft drink
Two sets of WAUPS Surgical scrubs and surgical instruments
Processing fee of WAUPS annual Fee & Fellowship credentials
